

Be an Apprentice

The Challenge:

Creative Wings is offering an opportunity to 4 people (2 male & 2 female) to be apprentices for 1 month.

Selected candidates will have the opportunity to work on various projects of Creative Wings. After the Apprenticeship programme 1 candidate will be selected to work on our future projects.

We are a creative and dynamic start-up organisation dedicated to the improvement of Education and to minimise digital divide. You will be able to make a change in the lives of underprivileged people of Bangladesh by joining various projects which we will be running in coming years. You will be trained in using various software, as well as teaching and learning techniques during the apprenticeship.

What will you receive if you are selected?

3,000 Taka bursary towards travelling expenses
Work experience certificate from our parent company Subject Support Ltd, UK
Mentoring and career advice

During the Apprenticeship you can gain experience in:

Website Design
Designing digital publications
Teaching and new training techniques
Using Interactive White Board for teaching
Self-awareness and building self-confidence
Planning and problem-solving skills
Presentation skills
Marketing skills
Interpersonal skills
Entrepreneurship
